Sir,

In continuation of my letter No. 3920-22 dated the 25th February 1910 forwarding my inspection notes on the town of Saligram, I have the honor to state that a new Holageri for this town is a pressing necessity. I carefully inspected the site I and II shown on the accompanying map and directed the District Health Officer to visit the place and take local opinion fully. Site I seems rather close to the town, but is otherwise unobjectionable Site II is the better one if water can be found handy.
